skate helper ORCA

First strides, made easy.

A skating aid designed for beginner skaters,
now available in Black and White or Blue and White.

35.71″	43.58″	11 lbs	12
TALL	LONG	LIGHT TO CARRY	PER PALLET

Long tail, molded grips

Handle grips in the extended tail give new skaters more to hold and more control.

Skate it or ride it

Kids push it as they learn, or hop on and ride while a parent pushes.

Your logo here

A blank front panel ready for your arena logo, a sponsor or a player number.

Stacks for storage

Orcas stack neatly, and staff can set out and put away a full set fast.

INTRODUCTORY PRICING
